SCAN TO GET STARTED

Use your phone camera.

1 Create your homeowner login

Scan the code and tap **Create my homeowner login**. Enter the **same email and phone number from your application**. Open the email link, confirm your email, and choose a password of at least 12 characters. For future visits, sign in with your phone number and password.

2 Add the app to your phone

iPhone: open in Safari, tap Share, then Add to Home Screen and Add. If shown, turn on Open as Web App. **Android:** in Chrome, open the three-dot menu, then Add to Home screen or Install app.

3 Review and digitally sign

Our office contacts you to arrange the initial home plumbing review. After approval, open your account and tap **Review and sign agreement**. Read your approved rate and terms, complete the acknowledgments, type your legal name, and tap Complete.

4 Keep and print your records

Your signed agreement and inspection report, including inspection photos, stay in your account. Open a document and choose **Print / Save PDF**. Paid benefits begin when the office confirms payment setup and your membership shows Active.
